SETTING THE NEW STANDARD IN FRAGRANCE

Launched in London in 2019, by its founder Ori Leslau, Riggs London was conceived to bring a new standard to the men's fragrance category. A driven and ambitious individual himself, he knows the importance of feeling confident and having conviction, two things he was determined that Riggs London would embody.

## OUR VALUES

Luxury  
Empowering  
Distinguished  
Extraordinary  
You

London is the heart of self-expression and style. What better city to create the next-best men's fragrance compositions, taking inspiration from the people, the textures, the sights, and the smells? Success comes in many forms, and seizing the day is one of them. Riggs London was created to uplift, empower, and let you be the best possible version of yourself every single day.

Conceived at the epicentre of self-expression and style, the ultimate fragrance collections. For those who want more

Riggs London scents are inspired by European destinations, from the cosmopolitan epicentres to the vast open countryside and everywhere in between.

Each place is the inspiration and the destination
